

Special Safety Offer

AWCI's eSafetyLine

FREE to Chapter Members

The Association of the Wall-Ceiling & Carpentry Industries of NY, Inc. would like to remind members about a special offer. To assist members in lowering accident costs and help to improve our safety statistics, the Chapter will provide a **free subscription** to AWCI's eSafetyLine Safety Software upon request.

AWCI's eSafetyLine Safety Software is an effective low cost solution for addressing occupational safety and health. The online software provides wall and ceiling contractors with compliance materials, training material, and online records and reports on demand.

It includes:

- Library of Compliance - written programs and policies, permits, inspection checklists and more
- Training Library – targets specific OSHA regulations with safety talks, quizzes and activities
- Recordkeeping – maintains all company safety records, generates required reports, exports a complete compliance binder, notifies you when safety tasks are due, and contains:
 - o OSHA Injury and Illness Database – generates the required OSHA forms (OSHA 300, 300A, 301)
 - o Training Database – tracks all employee training
 - o Events Database – allows tracking of everything from tool insurance to safety awards

AWCI's eSafetyLine software is:

- Easy to Use – Overwhelming compliance requirements are broken down into manageable safety modules, each with step-by-step instructions.
- Easy to Access – Documents are exported as editable Microsoft Word documents, and reports can be exported as PDF files or spreadsheets.
- Current & Continually Updated – Online content is constantly being reviewed and updated responding to changes in regulations, interpretations and enforcement policies. Users have immediate access to enhancements in features and functionality.
- Easy to Delegate – The simple interface allows administrative duties to be delegated to your staff and assistants. A toll-free help line is available to answer questions on the application and content.

eSafetyLine is simple enough for clerical personnel to manage paperwork, while management, safety directors and supervisors work more efficiently at other jobsite responsibilities.

To receive this software contact the Association Office at

Address: 125 Jericho Turnpike, Suite 301
Jericho, New York 11753-1022
Telephone: (516) 478-5600
Fax: (516) 478-5601
Email: jolivieri@wcc-ny.com

For those currently using eSafetyLine, the Chapter will maintain your subscription. Send your renewal notices/invoices to the Chapter for payment.
